

It is our endeavour at DPS Indrapuram, Meerut Road Campus to instill among the students an appreciation and love for the very special people they have in their lives \_\_\_their grandparents.

To mark this natural affinity and loving bond towards each other, students of Class II conducted a special assembly on the topic, 'Love your grandparents' on Monday, 18<sup>th</sup> August.

The Assembly began with a prayer thanking the Lord for all he has given us. The school choir rendered a melodious song, 'God make my life '

This was followed by a beautiful dance on the song, 'Thank you Gandpa, thankyou Grandma, I am so very glad you are in my life .' The assembly concluded with the address of the Vice Principal, Ms. Anita Choudhary who reminded the students about the importance of elders in the family as they are the repositories of moral values which get passed from them from one generation to another.
